

## YOUNG STUDENT ENRICHMENT NEW FUNDS FOR ARTS EXCURSIONS

In the spirit of our forty-year tradition of offering “Art for All People,” Flower City Arts Center began the Young Student Enrichment Fund to assist schools and community groups in expanding their arts curriculum through access to our creative workshops.

The funds are not intended to completely cover the workshop costs, but bridge the gap between what the school or community group is able to pay and the material and staffing requirements for these high-quality interactive visual arts experiences in Ceramics, Printing and Book Arts, and Photography. ***\*Applications will be reviewed beginning August 25, 2017 for excursions beginning Fall 2017. Qualified applications received after that date will continued to be considered on a wait list as funding is available.***
