

March 2025

Dear School Administrator,

It is with great pleasure that we inform you that artwork(s) created by students in your school district have been selected to be part of the 35th Annual New York State Art Teachers Association Legislative Student Art Exhibit.

This annual exhibit is organized by NYSATA in partnership with NYSUT and in collaboration with New York State Senate and Assembly. The goals of the exhibit are to showcase our art programs to our legislators and to give our young artists grades k-12 an opportunity to receive statewide recognition.

The Legislative Student Art Exhibit is also the flagship event for Youth Art Month, celebrating the visual arts, encouraging support for quality visual arts programs and promoting art material safety. This year, the Legislative Exhibit is returning to a live, in-person exhibit!

Exhibit Dates: May 16 - 23, 2025

Legislative Office Building, 3rd Floor Terrace Level, Albany NY

Opening Reception and Ceremony - Wednesday, May 21, 2025

Reception 11:30am – 2:00PM

Ceremony 12:30pm – 1:15pm

The NYSATA Board of Trustees invites you to celebrate Youth Art Month and view the virtual edition of this exhibit on the NYSATA.org website at <https://www.nysata.org/legislative-exhibit>. The preview virtual exhibit will be concluding Youth Art Month, posting the last week of March 2025 and will remain accessible through the December 2025.

Thank you for appreciating the value of art education as a critical component of a child's education and for supporting quality visual arts programs in your school district.
