Printmaking and Spring Meeting

Donnalyn Shuster demonstrated gelatin printmaking and lead a hands-on workshop with members following our Spring meeting. What a blast!

Golden Paints Workshop:

A tour and workshop was held at the Golden Artists Colors Company this Spring. Many members were present to soak in all the information and try out their materials.

A Day at the View:

Members took part in a gallery tour at The View Arts Center in Old Forge, NY. A clay workshop followed.
