## #selfcareARTchallenge

During these uncertain times it's so important that we remember to take care of ourselves! It's so easy to get caught up in the hustle and bustle of day to day life as a busy educator during this pandemic. For the self care challenge, we are asking you to take sometime out for yourself, create art, have fun, let loose. Then post your art work to:

Region 5 Facebook page, or tag us using @NYSATAregion5 and don't forget to use #selfcareARTchallenge!

Receive a chance at winning gift card prize for every #selfcareARTchallenge you post.

## Thank you!

A BIG thank you goes out to this month's zoom meeting special guest, Christine Attlesy-Steger (Region 7). Christine shared an awesome way to tackle the art supply issue for remote learners. Her unique idea she calls "Studio To Go Box" encouraged students to be creative with the supplies available to them at home during the pandemic. Her approach was "out of the box" so to speak, and the results she got from students showed even from home with limited supplies creativity is possible!

## COLLABORATIVE MURAL PROJECT

Amy Guglielmo/Plattsburgh Outside Art has been a huge part of the amazing mural projects in downtown Plattsburgh. Region 5 will be working with Amy on a mural project that will be nearby Momot Elementary. The idea for the mural is an abstract fire hydrant with a colorful wave of water and children.

We are in need of someone to render a design for the mural to be painted. Projected date for work on the mural project is June 2021, Region 5 members and PCSD students will be painting the mural as a collaborative project. If you have interest in helping with this design/painting please do not hesitate to reach out!

## DONT FORGET!

March is Youth Art Month it is a celebration of the visual arts

Visit the NYSATA site for ways to participate.

## Portfolio Project

May 15 & 16

Registration Closes: April 30

The portfolio project is completely virtual for 2021.

Check out the portfolio project on the NYSATA web page for all of the information.

Carol Vossler is the Region 5 Portfolio Project Coordinator. It is a great experience for the students to see their artwork collectively and receive insight and encouragement. With guidance from Carol, students are able to move forward with the process of making art, reflecting, critiquing, responding, and seeing their potential. Don't miss out on this opportunity!

## Virtual Student Show

Each educator will have the opportunity to showcase 10 individual works of art from their students.

More information regarding this show in the near future. Be on the look out on the Region 5 NYSATA page.
